

The HEATING & COOLING INCENTIVE (Known as OPA Rebate) is available for residents and businesses (and businesses with residential-type systems) in Ontario who have purchased and installed* eligible replacement central heating or cooling equipment through **Econoair Heating and Cooling**.

*Incentives for installations of eligible equipment completed between Jan 1, 2011 and Dec. 31, 2011, and must be submitted no later than Feb. 2, 2012.

- \$250 incentive when you have an existing furnace replaced with the purchase and installation of a high-efficiency furnace equipped with an Electronically Commutated Motor (ECM).
- \$250 incentive when you have an existing central air conditioner (CAC) replaced with the purchase and installation of an ENERGY STAR qualified CAC system (NOTE: ENERGY STAR qualified criteria = minimum 14.5 SEER and 12 EER).
- \$400 incentive when you have an existing CAC replaced with the purchase and installation of a stand-alone CEE “Tier 2” level central air conditioning system (NOTE: “Tier 2” level qualified criteria = minimum 15 SEER and 12.5 EER).

Did you know as much as 60% of your annual electricity costs goes towards heating and cooling your home?

It makes sense to reduce your

look for ways to usage.
