INTRODUCING THE PEARL DIRECT VENT FIREPLACE SYSTEM FROM MAJESTIC

Combine the warmth and comfort of a burning fire with the sophisticated style of modern design. This beautiful new fireplace from Majestic adds an elegant statement-piece to your home.

■ Install In Almost Any Space

Available in three different configurations, this fireplace can be installed as a Peninsula, See-Thru, or Left/Right Corner piece.

■ Control At Your Fingertips

With the Signature Command™ System, featuring a touch screen remote, you can turn the fireplace on and off, or adjust the 3-step flame height, all from the comfort of your couch.

■ Easily Achieve Different Looks

With special accessory kits, you can update the look of your fireplace with beautiful glass and porcelain inserts for more contemporary style.

■ Enjoy Extra Large Viewing Area

Friends and family will be able to admire the dancing flames through the clean face design of the extra large viewing area.
