

Vented Insert Fireplaces

MAJESTIC 

## Topaz Direct Vent Insert System

### 20ILDV & 30ILDV

No need to tolerate that old, inefficient masonry fireplace any longer. With a large viewing area, up to 30,000 BTUs and a host of sensible options, the Topaz is the perfect choice to turn your fireplace into the cozy, cost-effective heat source you want. Standard features include Tavern Brown firebrick, a variable thermostat controlled forced air blower and Natural Blaze burner with an amazingly realistic fiber ceramic log set. Available in two styles and colors of designer facings making these units a perfect fit for any room. It's easy to make your fireplace attractive and efficient with a direct vent insert from Majestic!

- On cover: 30ILDV with optional Iron Age Colonial surround

30ILDV with Black  
Textured Beveled surround

Give people a place to gather – make fire the focal point of your room again with a Direct Vent Insert System from Majestic.
